15: U.S. Navy --21 [4] (no date) 1944 Formosans
116, 177, 867, 563

"Social life among the younger generation of Japanese of both sexes is more liberal than in the homeland and their outlook less traditional. Improved educational opportunities, local temples, cemeteries and other social institutions now tend to lessen the attraction of the homeland for the middle-aged."
